EMBASSY OF THE REPUBLIC OF KAZAKHSTAN IN THE KINGDOM OF NORWAY

FORTE TRIO State Trio of the Republic of Kazakhstan

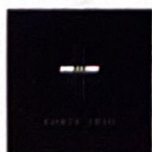

FORTE TRIO is one of the most renowned chamber ensembles not only in Kazakhstan but also far beyond its borders. The musicians have toured extensively throughout Europe and have performed in the United States, Brazil, Canada, China, Finland, and across Central Asia. The ensemble gives more than 100 concerts each year.

The trio brings together piano, violin, and cello. It was founded twelve years ago by the distinguished pianist Timur Urmancheyev. He is joined by two outstanding virtuosos — Murat Narbekov (cello) and Maxat Jussupov (violin), both prize winners of international competitions.

All three musicians are soloists of the State Concert Organization Qazaqconcert.
